

FEBRUARY 2024 PINTO POINTERS

Please ensure all trees on property are trimmed as to not interfere with the garbage truck. All Sidewalks must be cleared of snow and ice within 48 hours of accumulation.

Reminder that S. 7.5 of the Community Standards Bylaw prohibits snow from driveways to be placed in the roadways. Snow placed in the road from driveways can cause road hazards for traffic, as well as proper drainage concerns when melting occurs. Penalty amounts for non-compliance are found in Bylaw 2023:06.
