

The North Forty Mile Regional Waste Management Services Commission services the northern part of the County of Forty Mile No. 8 to provide recycling and waste transfer services. Inquiries should be directed to the landfill office at (403) 545-2618. North Forty recently joined E-Waste and a trailer will soon be available for electronics recycling.

Rates are posted below. Please call the landfill office for more information. Summer Hours in effect.

The North Forty Mile Regional Landfill will accept Construction material waste at \$55.00/tonne.

Please note:

- North Forty Mile Regional Landfill accepts CASH or CHEQUES only.
- All haulers need to be weighed in and out.
- The wood storage area has been closed, wood waste is still being accepted and will be placed with the other garbage. Trees must be under 4-foot lengths and under 16-inch diameter.
- Bovine Water is not accepted at the North Forty Mile Regional Landfill.
- Concrete and large tree stumps are not accepted at the North Forty Mile Regional Landfill.
- Waste is not accepted from outside of the County of Forty Mile.
- E WASTE – computers, stereos, tv, game consoles and speakers.
- PAINT - pails, tins, aerosols, solvents, disinfectants, detergents, nail polish, perfumes, linseed oil, insecticides, and insect repellent and many more items.
- TIRES – we accept all tires, with these exceptions not covered under Alberta recycling. Any type of tracks. This includes - skidoos, skid steers or large equipment. Forklift tires that either have a steel band inside or are solid. Foam filled tires or the foam itself. Debris such as belting, rubber hosing, tire tubes or any such thing that is not tires is deemed as waste.
- PROPANE TANKS - barbeque, forklift, small camping stove tanks and fire extinguishers.
- OIL – we have a large oil disposal tank for used oil, 45 gal drums, 5 gal pails, small jugs and oil filters.

We are accepting fridges, freezers and water coolers with a disposal fee of \$20.00 per unit.

Call (403) 545-2618 for more information.
