

## **Sewer Camera**

**Policy No: S-00-06**

**Revised: August 10, 2020**

**Policy Statement:** A policy to establish a fee when residents request the Town to camera the sewer line which services individual residence.

**Procedure** The camera unit and all accessories will be stored at the Town of Bow Island Public Works Shop. The camera will only be operated by Public Works employees that have been trained to use the camera.

Residents may request to have their service line inspected and the Town will charge a fee for service as set out in the current Community Services Fee Bylaw.

If Town employees believe there is a problem with a private line, they have the authority to request a resident provide access to their property to perform an inspection. If the Town requests the service line to be inspected, the cost for the camera service will be at the expense of the Town of Bow Island.
